

## Pleasure Enhancing Lubricants

### Play Feel

A classic water-based lube. It's not sticky or greasy, it's simply a light, smooth lube that's been specifically designed to enhance pleasure.

### Play Heat

Sensitivity is heightened when you use Play Heat. Try it - you'll certainly warm to it. But here's an extra tip; blow gently to enhance the warming action and make the sensation even more deliciously intense.

### Play Tingle

For a top-to-toe tingling experience. Here's a long-lasting silky lube that creates a tingling sensation wherever you put it. And adding to the overall 'wake-up call', it's got a zingy, refreshing taste and fresh, clean fragrance.

### Play Very Cherry

Play Very Cherry feels smooth, tastes sweet and is deliciously fruity. Use it wherever you like, whenever you like. And because it's totally sugar free, it's one pleasure that's also guilt free - so use as much as you like!

### Play Piña Colada

Play Piña Colada is a little bit of tropical heaven, in a bottle - it feels smooth, tastes sweet and is deliciously fruity! Like Play Very Cherry, it's also totally sugar free, so you can enjoy guilt free!
